

Investor Profile

Suited to investors seeking a diversified portfolio of equities and fixed income investments with a strong weighting towards income producing bonds. Investors should be able to accept a low level of risk

Investment Objective

To achieve interest income, preservation and moderate growth of capital with low levels of volatility by investing primarily in bond, debenture, and other fixed income investments and to a lesser extent in equity securities of Canadian and foreign companies.

Investment Strategy

The fund intends to achieve its objective by following an asset allocation model consisting of the acquisition of units in a number of Underlying Funds. The proportion invested in each Underlying Fund is varied based upon expectations of risk and return for the various classes of assets.
